### ORGANISATION OVERVIEW

From visual arts and music to performing arts and traditional and contemporary dance, we collaborate with artists to create, cultivate and share their stories.

### PROGRAM DESCRIPTION

**Artists on Tour** is an Artback NT initiative delivering a suite of workshop programs to support the development of established artists, young people and the community within urban, regional and remote locations. Working with artists, workshops are designed for the performing and visual arts.

Programs can be tailored to meet individual or group student capabilities and needs across all year levels from Kindergarten, Transition to Year 12. Workshops can also be chosen from pre-existing programs and be adjusted to meet specific groups' skills, ages and timeframes.

### PRODUCT OFFERING

Workshops cover a range of disciplines such as dance, hip hop, visual arts, circus, theatre and drama. The workshops connect practising arts professionals with remote and urban communities to offer their skills and build on the pre-existing talents in the region. Workshops have been created for practising artists, arts educators, young people and creative communities.

Our Performing Arts program also has a range of theatre and music shows we manage annually that can tour to communities for performances. Artback NT's programs can not only offer unique skills to communities but show clear pathways to an artistic career for individuals.

Artists on Tour includes artists such as:

- Jinu Mathew (dance, yoga and meditation)
- Linda Joy (visual arts / printmaking)
- Hemlock Mejarne (circus)
- Kamahi Djordon King (theatre / visual arts)
- Madeleine Krenek (dance)
- Michael Trikilis (Tricky) / Express Studio (break dancing)
- Amina McConville (painting)
- Gail Evans (theatre)
- Tarzan Jungle Queen (screen printing)
- Andrea (Andi) Cooper (circus)
- Bryn Wackett (dance)

If there are other art forms in which you are interested, please contact us and we will source a professional artist who can deliver your request.
