ORGANISATION OVERVIEW

Softball NT is the governing body for Softball in the NT providing grass roots, remote and pathway opportunities for participants of all ages, genders and abilities.

PROGRAM DESCRIPTION

As the Peak Sporting Body for Softball in the Northern Territory we can offer remote communities targeted programs that provide an environment where children of all ages and abilities can achieve success on the court and reap the rewards of skill development, enhanced self-esteem, social cooperation and grassroots sports participation.

We can also offer coach, official and scoring training to help build the capacity of the community to run ongoing programs independently.

PROGRAMS OFFERINGS

SOFTBALL BATTER UP

Softball Australia's national participation program, Softball Batter Up, is designed to be fun, flexible and engaging for children from kindergarten age to Year 6, focusing on fun activities while learning basic throwing, catching and striking skills. A successful program can be adapted for all ages and abilities using the Game Sense and CHANGE IT approach. Softball Batter Up activities align with the national health and physical education curriculum and are written with coaches and teachers in mind. Detailed information is provided on each activity's learning intention, band levels, and skill focus, together with questions to encourage participant engagement. With more than 60 different softball activities and games on offer, we can design your own softball sessions allowing for repetition over time to maximise learning and development opportunities.

PRODUCT OFFERING SPECIFICS

1. After school sessions, from 1 week to full term programs leading into interschool or even interregional competitions.
2. Assisting the community to build and create regular competitions for kids to participate in.
3. Offer pathways for kids through talent identification and School Sport NT or Softball NT representative pathways.
4. Accreditations in Umpiring, Scoring and Coaching

Softball NT can tailor programs to your school and regions requirements. We can also upskill teachers and community members to be able to continue sessions after we leave.

Tailored kits or specifics can be ordered and we can top up existing kits if preferred.

All equipment purchased would be used and left for the school/ community to continue using.

OTHER INFORMATION

Softball NT delivery agents are accredited and experienced program deliverers who are aware and respectful of local culture and relationships. All agents have Ochre cards.

When timing aligns, we will have Australian playing and coaching representatives help deliver our programs.

Softball NT invites interstate coaches and in turn offers them opportunities to add to their portfolios. We see the benefits of offering this opportunity a major draw card as coaches are more engaged and invested in the delivery and programs and connecting with communities.
