ORGANISATION OVERVIEW

Football NT is the governing body for Football in the Northern Territory providing opportunities and assistance for all participants, through playing, coaching and refereeing. For all ages, genders and abilities. Diversity is our game.

PROGRAM DESCRIPTION

Football Northern Territory can offer remote communities with a specific program that can provide a great environment where children of all ages and abilities can participate in a fun, safe learning environment. Our program emphasises in fun engaging activities that can be enjoyed by all, regardless of experience.

We offer Coach Education and Referee development courses as well, to help build capacity in the Community to be able to run programs and tournaments themselves.

PROGRAMS OFFERINGS

MiniRoos is designed for kids of all abilities, aged 4 – 11 years, and the nation-wide initiative uses short, game-based sessions to introduce the sport of football to newcomers in an inclusive way. It focuses on learning new skills, being active, making life-long friends and, potentially, unearthing the next generation of Socceroos or Matildas.

PRODUCT OFFERING SPECIFICS

1. MiniRoos Program duration is flexible (minimum 1 week) and can include a weekend gala day or mini tournament at the end of the program.
2. Futsal Program is a small sided indoor Football game. It's a great skill developer, uses quick reflexes and fast thinking. Can be played by everyone. Futsal can be delivered in an Indoor gym and be set up as an afternoon activity or a weekend competition, which can be left to be sustainable in the Community once we leave (minimum duration 1 week).
3. Coaching and Refereeing can be incorporated into an existing program. MiniRoos Grassroots Certificates can be conducted, which takes 2 hours to complete and is the start of our Community Coaching Course qualifications. A workshop on Laws of the Game can be included; this is the first course to become a Referee.

Football NT can tailor a program specific to your needs. Including all the options above or delivering one component at a time.
